A school year is made up of happenings. Many happenings have made this year exciting and something to remember. The happenings of a new Junior class, a new superintendent, and new teachers have made changes in the regular routine. The new buildings have housed the new happenings and the new busses have carried the new happenings abroad.

We, the Wildcat Annual Staff, have tried to capture the Joseph City year of 1970-71 school happenings.

What an exciting year for Joseph City High School! A year to remember for all of us, students, teachers, parents, and staff. The entire community has co-operated to the fullest extent in making 1970-71 a year of progress and enjoyment. Officially, Joseph City High School was established July 1, 1970. In actuality, it was formulated in the minds of the community and students during the last few years and just materialized during the present year.

The "Happenings" this year include

many new changes: A school superintendent for the first time, new music supervisor, new staff members, new buildings, new courses, new equipment, and new ideas. These changes have come upon us in one short year, yet they are welcome in the sense that it is all necessary progress in the establishment of the high school.

There is now more responsibility cast upon the shoulders of all. This is one challenge I'm sure everyone will willingly accept.

B. G. Bennett
Superintendent

ACTIVITIES

Freshmen Initiation was the same as always just about. A week from the actual day of initiation there was an auction in which the Freshmen were sold to the Sophomores and Juniors at varying prices. Mr. Hatch was the auctioneer and Terri Despain kept the profits that were made. About \$15.00 was made from the auction & the Soph. and Jr. split the profits.

On the day of Freshmen Initiation the Frosh came looking like some way out people. The day began with the Frosh receiving their paint and all that garb. Then at 10:30 an assembly was put on and the Freshmen received shampoos, tossed eggs, and ran three legged races.

After the assembly was over everyone went to the church lawn to eat their lunch. While there everyone amused themselves by throwing water balloons and getting soaked.

As is the custom for the Freshmen the painting of the "J" was the next thing on the agenda. Everyone made the hike out to the "J" and gave it it's whitewash for the year.

To tie up the day's activities everyone returned to the school and the Frosh were told to pull weeds out of the football field. (What fun!) Well that's the way it went on Freshmen Initiation Day 1970.

Sophomores

The 1970-71 Sophomore Class of Joseph City High School presented three 1-act plays on January 14. The plays were under the direction of Mrs. Williams, the English teacher.

The three plays were If Girls Asked Boys, Three Bottles of Relish, and The Uncertain Samaritan. Those students in If Girls Asked Boys, were Lee Ann Randall, Cindy Fish, Nancy Johnson, Clifton Petersen, and Ron Hansen. Those in Three Bottles of Relish were Eldona Shelley, Margaret Larsen, Mike Sharp, and Kim Shelley. Norman McWhorter and

Acting?

Nathan Shelley made up the cast of The Uncertain Samaritan. Gale Hansen was the prop man for the Sophomores and Jerry Duncan was the narrator for If Girls Asked Boys.

For her performance in If Girls Asked Boys, Cindy Fish was elected Best Actress. Nancy Johnson, in the same play, was elected Best Supporting Actress. Norman McWhorter was elected Best Actor for his role in The Uncertain Samaritan, and Nathan Shelley won the honor of Best Supporting Actor for his performance in the same play.

A Look at the Valentine Dance

On the night of Feb. 11, 1971, Joseph City School had their yearly Valentine's Dance, to celebrate Valentine's Day.

The dance started at 8:00. 7th and 11th grade students from J.C.S. as well as Holbrook students were invited.

A band from Winslow was obtained to provide the music for the night. As usual refreshments were served at a break to provide the dancers with a little more energy.

At around 12:00 the Valentine Dance was over for another year.

The Christmas spirit hit Joseph City Schools early in the month of December when preparation for parties and programs got underway.

Mr. Guidry, school music director, was the coordinator of the all-school program presented Tuesday, December 22. The program consisted of numbers by the High School, Jr. High, and Honor bands, the High School choir, and various groups of grade school students. Mr. Hansen was the narrator of the program. Santa

Claus visited with the kids and passed out candy.

The High School party was held on December 18 at 7:00 p. m. The wagon ride and the games at the school were participated in by all. The grade school parties were held on December 23 before they were dismissed for vacation. The teacher and faculty party was on the 21 of December.

Vacation for the student body and faculty was from Dec. 23-Jan. 4.

Year
of
"71"

The annual Spelling Bee was held March 8, 1971 at 7:30 p.m. The participants were students from the 4th through 8th grades.

Mr. Bennett pronounced the words, and the judges were Ross D. Hansen, Alice Hansen, and Jerri Murph.

Barry Hunt won the Bee, by spelling the word fatigue, correctly. Marsha Hansen a 5th grader came in second. Mr. Hatch presented the trophies to the two winners.

On April 9, 1971, the student body of Joesph City High School attended the first annual Junior Prom. It was held in the school gymnasium from 8:00 - 12:00.

The theme of the Prom was "A Roman Holiday". The decorations of blue, white, and gold transformed the gymnasium into a beautiful Roman amphitheater. The gymnasium was decorated by the Junior Class under the sponsorship of Mr. Dale Couch and Miss Caroline Cox.

The music for the Prom was furnished by Beau Guest, a band from Phoenix. The band really grooved the students and they all had a good time.

On Friday May 19th the High School took their end of - the year outings to Chevelan. They spent the day there swimming, eating, or just messing around.

The Jr. High were a little bit more fortunate in that they took their outing to Flagstaff. The day they left was May 24th. There they went ice skating and visited the Museum of Northern Arizona.

And so thus went the outings for 1970-71.

Pictured at left shows the High School students at Chevelan.

Track and Field Day was held on the dirty, windy day of May 21. It was slightly different this year, in that there were six classes of competition instead of four.

Seventy - one events were participated in by the various classes of boys and girls. The Fourth grade won the trophy for accumulating the most points during the day. Outstanding Athletes went to Blaine Allen, a Third grader, and to a Tenth grader Nancy Johnson.

Grass on the Football Field??

Who wrecked the wheelbarrow???

Is it something exciting, Nathan???

After much consideration, the School Board and Administration ordered Bermuda grass to plant the football field with. The field was carefully leveled and readied for the plugs of grass.

On May 14, the seventh and eighth graders started to cut grass squares into 1" x 1" plugs. The high school finished the cutting on May 18. Then the next day the high school got out of school again and planted the 1" x 1" grass plugs 6 inches apart. After all the work, we sure hope it grows!
